

OnEggy Technologies (OPC) Private Limited (“OnEggy”) we value the trust you place in us when you visit one of our websites or use one of our services. We’ve built an enduring reputation for using technology and data to bring transparency, integrity, and efficiency to everyone we serve. Part of our commitment to transparency and integrity is making sure you understand what data we collect, how we use it, and how it may be shared.

What is personal information?

By personal information, we mean information that can be used to identify, locate, or contact you, whether used alone or when combined with other identifying information. Personal information does not include information lawfully made available from government records or de-identified or aggregated consumer information.

What do we collect?

We may collect the following information:

- NAME
- CONTACT INFORMATION INCLUDING EMAIL ADDRESS
- COOKIES

Security

OUR RESPONSIBILITY: - We follow generally accepted industry standards to protect the personal information submitted to us, both during transmission and once we receive it. No method of transmission over the Internet or via mobile device, or method of electronic storage, is 100% secure.

Accordingly, and despite our efforts, OnEggy cannot guarantee or warrant the security of any information you transmit to us, or to or from our online products or services. However, OnEggy shall only disclose Personal Data if it is bound to do so by law or if it has been expressly authorized to do so by the User concerned.

OnEggy shall not sell Personal Data to third parties unless it has obtained the User’s consent thereto.

OnEggy shall only disclose Personal Data if it is bound to do so by law or if it has been expressly authorized to do so by the User concerned and store Personal Data for such duration as may be necessary to comply with legal requirements.

YOUR RESPONSIBILITY: - if a username and/or password is used to help protect your accounts and data, it is your responsibility to keep your information confidential and your internet connection secure. Do not share this information with anyone.
